ELIGIBILITY FOR CLASSES

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship agility, Premier agility, Open agility or Limited agility shows (i.e. special classes and invitational events accepted) Only a first place with a clear round within the course time set by the judge will count towards grade progression. Agility classes to include contact obstacles and Jumping classes where there are no contact obstacles. With this proviso classes are defined as follows:

Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for one or more consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each Grade will require one Agility win or three Jumping wins in standard classes at that grade, except that progression from Grade 5 will require 3 wins at Grade 5, one of which must be an agility class. Progression from Grade 6 will require 4 wins at Grade 6, two of which must be agility classes. Results from Combined Classes will only count towards progression from the dog's current grade.

Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers), except that there is no requirement for a minimum number of agility points. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade. **Progression on points must be done prior to the closing date of entries, it is not possible to change a grade on points once the entries have closed.**

STANDARD CLASSES Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the three jumping wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1 (Elementary) For owners, handlers or dogs which have not gained a first place in an Agility Class or three first places in Jumping Classes at Kennel Club licensed Agility Shows. N.B. Owners, handlers or dogs previously qualified out of Grade 1, (Elementary) are not eligible for this class.

Grade 2 (Starters) Open to dogs which are not eligible for Grades 1, 3, 4, 5, 6, 7 and have not gained a first place in an Agility Class or three first places in Jumping Classes at Grade 2 at Kennel Club licensed Agility Shows, or elected to progress on points from Grade 1. N.B. Owners, handlers or dogs previously qualified out of Grade 2 (Starters) are not eligible for this class.

Grade 3 (Graduate) Open to dogs which are not eligible for Grade 1 or 2 or have elected to progress on points from Grade 2 at Kennel Club licensed Agility Shows and dogs which are not eligible for Grade 4, 5, 6 or 7.

Grade 4 (Novice) Open to dogs which have gained a first place in an Agility Class or three first places in Jumping Classes at Grade 3 or elected to progress on points from Grade 3 at Kennel Club licensed Agility Shows and are not eligible for Grade 3, 5, 6 or 7.

Grade 5 (Intermediate)

Open to dogs having which have gained a first place in an agility class or three first places in jumping classes at Grade 4 and are not eligible for grade 3,4,6,or 7.

Grade 6 (Senior)

Open to dogs which have gained a minimum of 3 first places at Grade 5 at Kennel Club licensed agility shows, one of which must have been gained in an Agility (not Jumping) Class, and are not eligible for grade 3,4,5,or 7.

Grade 7 (Advanced)

Open to dogs which have gained a minimum of 4 first places at Grade 6 at Kennel Club Licensed Agility Shows, 2 first places must be gained in Agility (not Jumping) Classes.

SPECIAL CLASSES Special Any Size Classes Open to all sizes of dogs not entered in any other class in this show. There will be no tyre or weaves in these classes. The maximum number of obstacles to be negotiated will be 18.

CHILDREN UNDER 16

The duty of care remains with the parent(s) or other accompanying responsible adult(s) at all times

In accordance with Kennel Club Rules, large dogs who have not competed before 1st January 2006 and ALL Small and Medium dogs MUST have been officially measured before competing at a Kennel Club licensed agility show.

Record books may be inspected at the request of the Judge or show management.

Please note that there will be measuring taking place during the show .
