## **ELIGIBILITY FOR CLASSES**

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows, (i.e. special classes and invitational events excepted). Only a first place with a **clear round completed within the course time set by the judge** will count towards grade progression.

Agility classes to include contact obstacles and Jumping classes where there are no contact obstacles. With this proviso classes are defined as follows:-

**Class Structure.** A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for one or more consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for

more than one consecutive grade with one overall set of results.

**Progression.** Progression from each Grade will require one Agility win or three Jumping wins in standard classes at that grade, except that progression from Grade 5 will require 3 wins at Grade 5, one of which must be an agility class. Progression from Grade 6 will require 4 wins at Grade 6, two of which must be agility classes. Results from Combined Classes will only count towards progression from the dog's current grade.

**Points Progression.** At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers), except that there is no requirement for a minimum number of agility points.

If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

**Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.**

## **STANDARD CLASSES**

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes (A dog is only eligible for one grade) In defining the eligibility of the owner or handler for Grade 1. The three jumping wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs

**Grade 1 (ELEMENTARY)** For owners, handlers or dogs which have not gained a first place in an agility class or three first places in jumping classes at Kennel Club licensed agility shows. N.B. *OWNERS, HANDLERS OR DOGS PREVIOUSLY QUALIFIED OUT OF GRADE 1 (ELEMENTARY) ARE NOT ELIGIBLE FOR THIS CLASS*

**Grade 2 (STARTERS)** Open to dogs which are not eligible for Grades 1,3,4,5,6,7 but have not gained a first place in an agility class or three first places in jumping classes at Grade 2 or have elected to progress on points from Grade 1 at Kennel Club licensed agility shows. N.B. *OWNERS, HANDLERS OR DOGS PREVIOUSLY QUALIFIED OUT OF GRADE 2 (STARTERS) ARE NOT ELIGIBLE FOR THIS CLASS*

**Grade 3 (GRADUATE)** Open to dogs which are not eligible for grade 1 or 2 or have elected to progress on points from Grade 2 at Kennel Club licensed agility shows and dogs which are not eligible for grade 4,5,6, or 7.

**Grade 4 (NOVICE)** Open to dogs having which have gained a first place in an agility class or three first places in jumping classes at grade 3 or elected to progress from Grade 3 at Kennel Club licensed agility shows and dogs which are not eligible for grade 3,5,6, or 7.

**Grade 5 (INTERMEDIATE)** Open to dogs having which have gained a first place in an agility class or three first places in jumping classes at Grade 4 and are not eligible for grade 3,4,6, or 7.

**Grade 6 (SENIOR)** Open to dogs which have gained a minimum of 3 first places at Grade 5 at Kennel Club licensed agility shows, one of which must have been gained in an Agility (not Jumping) Class, and are not eligible for grade 3,4,5, or 7.

**Grade 7 (ADVANCED)** Open to dogs which have gained a minimum of 4 first places at Grade 6 at kennel club licensed agility shows, 2 first places must be gained in agility(not jumping) classes.

## **SPECIAL CLASSES**

Societies may schedule classes other than those defined above as "Special Classes".

The eligibility for "Special Classes" must be defined by the society and included in the schedule. The word "Special" must be included in the title of the class. Where special classes are classified for older and/or inexperienced dogs, the height of the hurdles and the A-ramp, and the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule.

Marking for special classes may deviate from marking for standard classes, but must be specified in the schedule. Wins, places and clear rounds in special classes will not count towards agility warrant points or grade progression at Kennel Club shows.

*Supported by GWF Joint Aid for Dogs*

**All events must be judged under the appropriate Kennel Club regulations H & H(1) in force at the time of the event. Competitors entering any competition will be deemed to have agreed to abide by these regulations.**

All heats must take place at Kennel Club licensed shows and the class name in the schedule should replicate exactly the name of the competition as stated in these regulations.

All Kennel Club supported competitions should be judged using standard marking.

If the entry for the heat exceeds the Kennel Club limit for a judge in a day, then the class will be equally split and another judge appointed for the second part. Qualifiers and reserves from that heat will be taken in equal proportion from each part, giving the total number originally required from that heat (except where individual competition rules state differently). Rosettes and awards remain unchanged if the heat is split.

Dogs entered in any heats must be eligible for the competition entered and judges retain the right to check the height of any dog or ask to see the height stated in the Kennel Club Record Book.

Competitors can qualify for any Olympia final but it must be with different dogs. The first final a handler qualifies a dog for will be the final that particular dog competes in at Olympia.
