ELIGIBILITY FOR CLASSES

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Agility classes to include contact obstacles and Jumping classes where there are no contact obstacles. With this proviso classes are defined as follows:-

Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for one or more consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each Grade will require one Agility win or three Jumping wins in standard classes at that grade, except that progression from Grade 5 will require 3 wins at Grade 5, one of which must be an agility class. Progression from Grade 6 will require 4 wins at Grade 6, two of which must be agility classes. Results from Combined Classes will only count towards progression from the dog's current grade.

Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers), except that there is no requirement for a minimum number of agility points. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the three jumping wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1 (Elementary)

For owners, handlers or dogs which have not gained a first place in an Agility Class or three first places in Jumping Classes at Kennel Club licensed Agility Shows. *N.B. Owners, handlers or dogs previously qualified out of Grade 1, (Elementary) are not eligible for this class.*

Grade 2 (Starters)

Open to dogs which are not eligible for Grades 1, 3, 4, 5, 6, 7 and have not gained a first place in an Agility Class or three first places in Jumping Classes at Grade 2 at Kennel Club licensed Agility Shows, or elected to progress on points from Grade 1. *N.B. Owners, handlers or dogs previously qualified out of Grade 2 (Starters) are not eligible for this class.*

Grade 3 (Graduate)

Open to dogs which are not eligible for Grade 1 or 2 or have elected to progress on points from Grade 2 at Kennel Club licensed Agility Shows and dogs which are not eligible for Grade 4, 5, 6 or 7.

Grade 4 (Novice)

Open to dogs which have gained a first place in an Agility Class or three first places in Jumping Classes at Grade 3 or elected to progress on points from Grade 3 at Kennel Club licensed Agility Shows and are not eligible for Grade 3, 5, 6 or 7.

Grade 5 (Intermediate)

Open to dogs which have gained a first place in an Agility Class or three first places in Jumping Classes at Grade 4 and are not eligible for Grade 3, 4, 6 or 7.

Grade 6 (Senior)

Open to dogs which have gained a minimum of 3 first places at Grade 5 at Kennel Club licensed Agility Shows, one of which must have been gained in an Agility (not Jumping) Class, and are not eligible for Grade 3, 4, 5 or 7.

Grade 7 (Advanced)

Open to dogs which have gained a minimum of 4 first places at Grade 6 at Kennel Club Licensed Agility Shows, 2 first places must be gained in Agility (not Jumping) Classes.

SPECIAL CLASSES

Veterans

The class is open to Large, Medium and Small dogs aged 9 years and over on the date of competition and not entered in any other classes over the weekend (Veteran and Any Size classes excepted). Jump heights for all dogs will be 350mm or 228mm at the handlers discretion. There will be no weaves or tyre. All dogs will compete against each other over the same course at the dog's chosen jump height with one set of awards.

Any Size Jumping & Any Size Agility

Open to all dogs not entered in any other classes over the weekend (Veteran and Any Size classes excepted). Jumps heights for all dogs will be set at 350mm, 228mm or **550mm** at the handler's discretion and courses will not contain a tyre or weaves. The course time will be 60 seconds. All heights of dogs will compete against each other over the same course at the dog's chosen jump height with one set of awards. The course will be very simple and flowing. Any Size Agility will include a low height 'A' frame.

Any Size Jumping Qualifier

Final to be held at the Adams Show at Catton Hall, Walton on Trent on Saturday 18th May 2013. The top 5 dogs will qualify.

Agility for Juniors

1. The competition is split into 2 Classes Under and Over 12 years old but under 18.
2. The competition is open to all heights of dogs.
3. All heights of dog will compete against each other.
4. The competition will be judged under current KC rules and regulations. All competitors will be deemed to have accepted these rules

Devon Dogs Jumping Sweepstake (Large Dogs only)

For each dog entered into the class a sum of £1.10 will go into the winner's jackpot. Winner takes all!!

The 4th Height Cup (Special)

There are many dogs, no matter how fit and agile, that struggle to jump the current Large height because they are naturally "smaller". This competition has been put together to give these dogs a chance to jump at a height more comfortable to them. All jumps in this class will be set at 550mm, which represents the 4th Height that so many would like to see brought into standard KC Classes. The introduction of a pole at the height of 550mm brings the percentage difference between the height of the smallest dog in these classes and the height of the jump, into line with existing Medium height and with the dogs at the upper end of the current Large height bracket. Having a more appropriate jump height will allow more dogs and handlers to partake in the activity they enjoy in KC shows, supporting the KCs own stated objective of popularising canine events by focusing on the retention of existing participants and the attracting of new.

Show and Venue for the final – To be confirmed

Rules

1. The class is open to all Grade 1-7 dogs
2. All jumps will be at 550mm.
3. Standard Kennel club marking will apply
4. The top three dogs qualify from each heat. In the event of a class being split, the top two places will be taken from each part.
5. Dog may only qualify for final once. In the event that a dog in qualifying place has previously qualified for the final, the next placed dog shall qualify. Please advise the ring party if you have already qualified.
6. Handlers may qualify more than one dog for the final

DOGS IN CARS ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- ◆ When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route and leave earlier to avoid increased time in traffic jams.
- ◆ If your vehicle is not air conditioned seriously consider whether travelling to the show is a good idea at all.
- ◆ The vehicle should be as fully ventilated as possible and plenty of stops should be taken, with lots of water available to drink.
- ◆ Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- ◆ When at the show, never leave your dog in the vehicle.
- ◆ Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog always stays well hydrated.
- ◆ Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.
