## **DIRECTIONS TO THE VENUE -**

Royal Cornwall Showground is situated one mile west of Wadebridge on the A39 between Wadebridge and St Columb Major.

## **ELIGIBILITY FOR CLASSES**

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Open Agility Shows (i.e. Limited Agility Shows, special classes and invitation events excepted). Only a first place with a clear round **within course time** will count towards grade progression.

Agility classes to include contact points and Jumping classes where there are no contact obstacles. With this proviso classes are defined as follows:-

**Class Structure.** A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for one or more consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

**Progression.** Progression from each Grade will require one Agility win or three Jumping wins at that grade, except that progression from Grade 6 will require 4 wins at Grade 6, two of which must be agility classes. Results from Combined Classes will only count towards progression from the dog's current grade.

**Points Progression.** At the handler's discretion a dog may progress up to Grade 5 by winning 75 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers), except that there is no requirement for a minimum number of agility points. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

## **STANDARD CLASSES**

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes ( A dog is only eligible for one grade)

In defining the eligibility of the owner or handler for Grade 1. The three jumping wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs

## **THE KENNEL CLUB** **OLYMPIA AGILITY STAKES REGULATIONS 2012**

*Supported by GWF Joint Aid for Dogs*

**All events must be judged under the appropriate Kennel Club regulations H & H(1) in force at the time of the event. Competitors entering any competition will be deemed to have agreed to abide by these regulations.**

All heats must take place at Kennel Club licensed shows and the class name in the schedule should replicate exactly the name of the competition as stated in these regulations.

All Kennel Club supported competitions should be judged using standard marking.

If the entry for the heat exceeds the Kennel Club limit for a judge in a day, then the class will be equally split and another judge appointed for the second part. Qualifiers and reserves from that heat will be taken in equal proportion from each part, giving the total number originally required from that heat (except where individual competition rules state differently). Rosettes and awards remain unchanged if the heat is split.

Dogs entered in any heats must be eligible for the competition entered and judges retain the right to check the height of any dog or ask to see the height stated in the Kennel Club Record Book.

Competitors can qualify for any Olympia final but it must be with different dogs. The first final a handler qualifies a dog for will be the final that particular dog competes in at Olympia.

(These rules would be amended if any changes are made to Kennel Club agility regulations during the course of the competition year).
